This is a digital reproduction of the original GIA Report. To verify the information herein, please refer to the certificate number. This Report is not a guarantee, valuation or appraisal and does not constitute an offer of insurance. The diamond described herein was analyzed by the laboratory operating this Report (GIA) and has been measured using the techniques and equipment used by GIA at the time of the measurement and/or available. Measurements reported in this document are not a guarantee, valuation, or warranty of a diamond's quality, purity of origin or source, or that the diamond will be unaffected by the treatment in the future. Unless mentioned, color is untreated. GIA makes no representation concerning any treatment used, or any treatment mentioned by GIA in which is not listed on this Report. The recipient of this Report is to be used for personal collection purposes and is not intended for resale.
